Yesterday, I a) \_\_\_\_\_ (*iść na zakupy*) with my girlfriend. As the winter is coming to an end, I needed to buy some summer clothes. I saw that in one of the shops there was a b) \_\_\_\_\_ (*zniżka*) for students. I went in, c) \_\_\_\_\_ (*rozejrzeć się*) and checked the d) \_\_\_\_\_ (*metki z ceną*), but everything was e) \_\_\_\_\_ (*drogi*), and I thought to myself: *What a f) \_\_\_\_\_ (zdzierstwo)!* My girlfriend found a shop with more g) \_\_\_\_\_ (*rozsądne ceny*). There was a big sign saying: h) \_\_\_\_\_ (*dwa w cenie jednego*)! It turned out there was a i) \_\_\_\_\_ (*wyprzedaż*). I took some trousers and T-shirts from a j) \_\_\_\_\_ (*półka*) and went to the k) \_\_\_\_\_ (*przymierzalnia*). When I tried them on, my girlfriend helped me make the right choice. The shop assistant said that if I changed my mind, I could l) \_\_\_\_\_ (*zwracać*) the clothes and m) \_\_\_\_\_ (*dostać zwrot*) or n) \_\_\_\_\_ (*wymienić*) them for something else. The clothes I chose didn't o) \_\_\_\_\_ (*kosztować fortunę*), and what's more, I bought them p) \_\_\_\_\_ (*za połowę ceny*), so I was happy that I q) \_\_\_\_\_ (*złapać okazję*). Then, we looked at the r) \_\_\_\_\_ (*lista zakupów*) that we'd made at home and went to the grocer's to s) \_\_\_\_\_ (*zrobić zakupy*). On our way, I saw an amazing watch in a t) \_\_\_\_\_ (*wystawa sklepową*), and checked it out online when I got home, but when I saw the u) \_\_\_\_\_ (*cennik*) I decided not to take it, as one week before I had v) \_\_\_\_\_ (*zamówić*) another watch online.
